Due to concerns about long curbside wait times at the polls, all curbside voting in Kansas City for the November 3, General Election will take place at the KCEB offices within Union Station ONLY. If you need to vote curbside on Election Day, call KCEB prior to arrival at one of the following phone numbers: 816-527-3633, 816-527-3525, or 816-527-3528. Voters will need to give KCEB their name, address, date of birth, last four of the Social Security number, and an estimated time of arrival. KCEB staff will then assist voters at Union Station when they arrive.
