

Safety Measures June 2, 2020

For the health and safety of all voters, election workers and staff, the Kansas City Election Board will take the following **safety measures**.

- 1) Each Polling Place will have an 8 ft. barrier at each of the voter check-in tables. Election workers will wear masks, face shields and gloves.
- 2) Hand sanitizer, alcohol wipes, Lysol wipes, Lysol spray, and microban spray will be used frequently to sanitize equipment and other hard surfaces.
- 3) Sterilized styli will be used for Poll Pad voter check-in and on Ballot Marking Devices.
- 4) Single use pens and pencils will be used for voters voting on paper ballots.
- 5) School gymnasiums, Community Centers and cafeterias will be used to ensure proper social distancing of voters and election workers. KCEB is working hard to keep Kansas City Safe.
