KANSAS CITY, Mo. (August 5, 2017) – The August 8th election is the first election in Kansas City since the passage of the new **Missouri Photo Voter ID Law** (House Bill 1631), which became effective June 1, 2017. **All registered voters will be allowed to vote even if they don't have proper photo identification.** Listed below are the various options available for all voters.

Under Missouri's new law, there are three ways a voter can cast a ballot at the polls on Election Day:

Option 2: Provide a secondary form of identification, out-of state driver's license or non-driver license, Missouri higher education I.D., (college, university or technical school), voter registration card, paycheck, current bank statement or utility bill and sign a statement confirming their identity

Option 3: If the voter has no form of identification, but is a registered voter, they can cast a blue provisional ballot.

The Secretary of State's office has more information pertaining to House Bill 1631 on its website, www.sos.mo.gov, under the heading "Show It 2 Vote" including how to apply for a free Missouri non-drivers license and how to obtain associated documents (birth certificate etc.,) at no cost.
