**Safety Measures:** In order to ensure the health and safety of voters, poll workers, and staff, smaller polls have been exchanged for larger polling places. These larger polling places will allow for proper social distancing throughout the voting process. Voters are **HIGHLY** encouraged to look for their Voter Notification Card in the mail, as this will inform them of where their polling location will be.

In addition to social distancing, polling place surfaces will be frequently cleaned. Voters will be given a personal stylus/pen for check-in, electronic voting, and paper ballot voting.

**Due to the length of the ballot voters are HIGHLY encouraged to look over their sample ballot before heading to the polls. They may print and bring their sample ballot with them to use as a voting guide at the polls and are encouraged to do so as KCEB believes this will speed up the voting process. Sample ballots available at [www.kceb.org](http://www.kceb.org).**

Voters should be prepared to provide a form of identification upon arrival. For the safety of our staff, voters are asked to inform us if they have been exposed to, or have contracted the COVID-19 virus.
