

## FAQs

### I'm not sure where my polling place is.

You can find your polling place by using the "Where do I vote?" tool on the homepage of [www.kceb.org](http://www.kceb.org) or by calling KCEB at 816-842-4820.

### Do I need a photo ID to vote?

Yes. Missouri requires a non-expired photo ID for voting. Acceptable forms of ID include: A nonexpired Missouri driver's license or non-drivers license; Nonexpired military ID including a veteran's ID card; Nonexpired US passport; or another photo ID issued by the United States or the state of Missouri which is either not expired or expired after the date of the most recent general election. If you do not have an acceptable form of ID, visit <https://www.sos.mo.gov/voterid> to learn how to receive a free photo ID for voting purposes.

If you do not have an acceptable form of ID for voting on Election Day you may vote a Blue ID Provisional Ballot. This will be counted if:

- You return to your polling place on Election Day and show a valid form of ID, OR
- Your signature on the provisional ballot matches the signature on your voter registration.

### Can I vote early in Missouri?

Yes. No excuse in-person absentee voting is available at your local election authority two weeks before Election Day.
